SKILLS

Programming: HTML, CSS, JavaScript, Tailwind CSS

Tools: VS Code, Git & GitHub

INTERNSHIP

SJVN Ltd.

NJHPS JHAKRI

Intern – SJVN Ltd. (Government of India PSU)

April 2023 – March 2024

- Gained exposure to professional work culture within a Government of India PSU environment
- Developed discipline, coordination & reporting skills
- Assisted in documentation and coordination activities related to plant operations and maintenance.

PROJECTS

Expense Tracker (Frontend)

Personal Project | HTML, CSS, JavaScript

- Developed a responsive web application to track income and expenses with a dynamic transaction table
- Implemented user authentication with signup and login using local storage
- Stored transactions persistently using local storage to maintain data across sessions
- Designed a clean, user-friendly interface for easy expense management and visualization

Food Delivery Website (Frontend)

Personal Project | HTML, CSS, JavaScript

- Implemented dynamic product rendering from JSON and a search system with debouncing to improve performance and user experience.
- Built a real-time cart management system with LocalStorage integration for persistent data, allowing users to add, remove, and adjust item quantities
- Added **cart functionality** with item addition, removal, and total price calculation using JavaScript
- Created **checkout form with validation** and interactive UI for seamless shopping experience

Todo List Application (Frontend)

Personal Project | HTML, CSS, JavaScript

- Developed a responsive task management web application using HTML, CSS, and JavaScript
- Implemented add, delete, and mark-as-complete functionality using DOM manipulation
- Integrated an automated review slider and a functional checkout simulation with success notifications and cart-clearing logic

Personal Portfolio Website (Frontend)

Personal Project | HTML, CSS, JavaScript

- Developed a responsive portfolio website to showcase projects, skills, and contact information
- Implemented interactive sections like About, Skills, and Projects.
- Added **dark/light mode toggle** for enhanced user experience and accessibility
- Integrated email and social media links for professional networking
